With over 12 years experience in the furniture manufacturing industry our team of qualified professionals ensure your project is delivered on time, within budget and exceeds your expectations.

Furniture Interior post

Why JC Interiors

At JCI, we believe in UNIQUE. An Australian owned business with offices in Australia and China - including a full assembly, production and aggregation centre in the heart of China's production factory, we offer a unique focused and connected Furniture, Fixtures and Equipment (FF&E) service.

Our two teams consist of professional procurement and quality assurance and will meet your needs from initial concept through to final delivery and after sales support requirements. We also have extensive experience in pre-leasehold applications and challenging sourcing solutions.

The image shows the front cover of a booklet titled 'Q&A' in large red letters at the bottom right. The cover features a central graphic of a hand holding a stylized 'H'. The background is white with a subtle grid pattern. At the top left, there's a small logo with four colored dots (red, blue, yellow, green) followed by Korean text. The main title '현대 슈퍼애널리전 Q&A' is prominently displayed in the center. Below the title, there's more detailed text about the service and its benefits.

여행에 관한 모든 것

An advertisement for Hyundai Speed Tax. It features a man in a suit running across a rocky cliffside towards the right. He is carrying a black briefcase in his left hand. The background shows a dramatic, cloudy sky. At the top, the text "HYUNDAI SPEED TAX" is written in a stylized font. Below the man, there is a logo for "HYUNDAI SPEED TAX" with the Korean name "현대스피드택스" above it. The bottom of the ad contains several lines of promotional text in both English and Korean, along with contact information and a large red circular seal.
